DVE Mission

The mission of Diego Valley East is to engage students in learning, who are no longer enrolled in a traditional classroom program or who prefer a personalized learning education. Innovation High School's goal is to successfully prepare students for work or college readiness through our integrated personalized program of job readiness coursework and Workforce Innovation and Opportunity Act partnerships.

Criteria To Reclassify

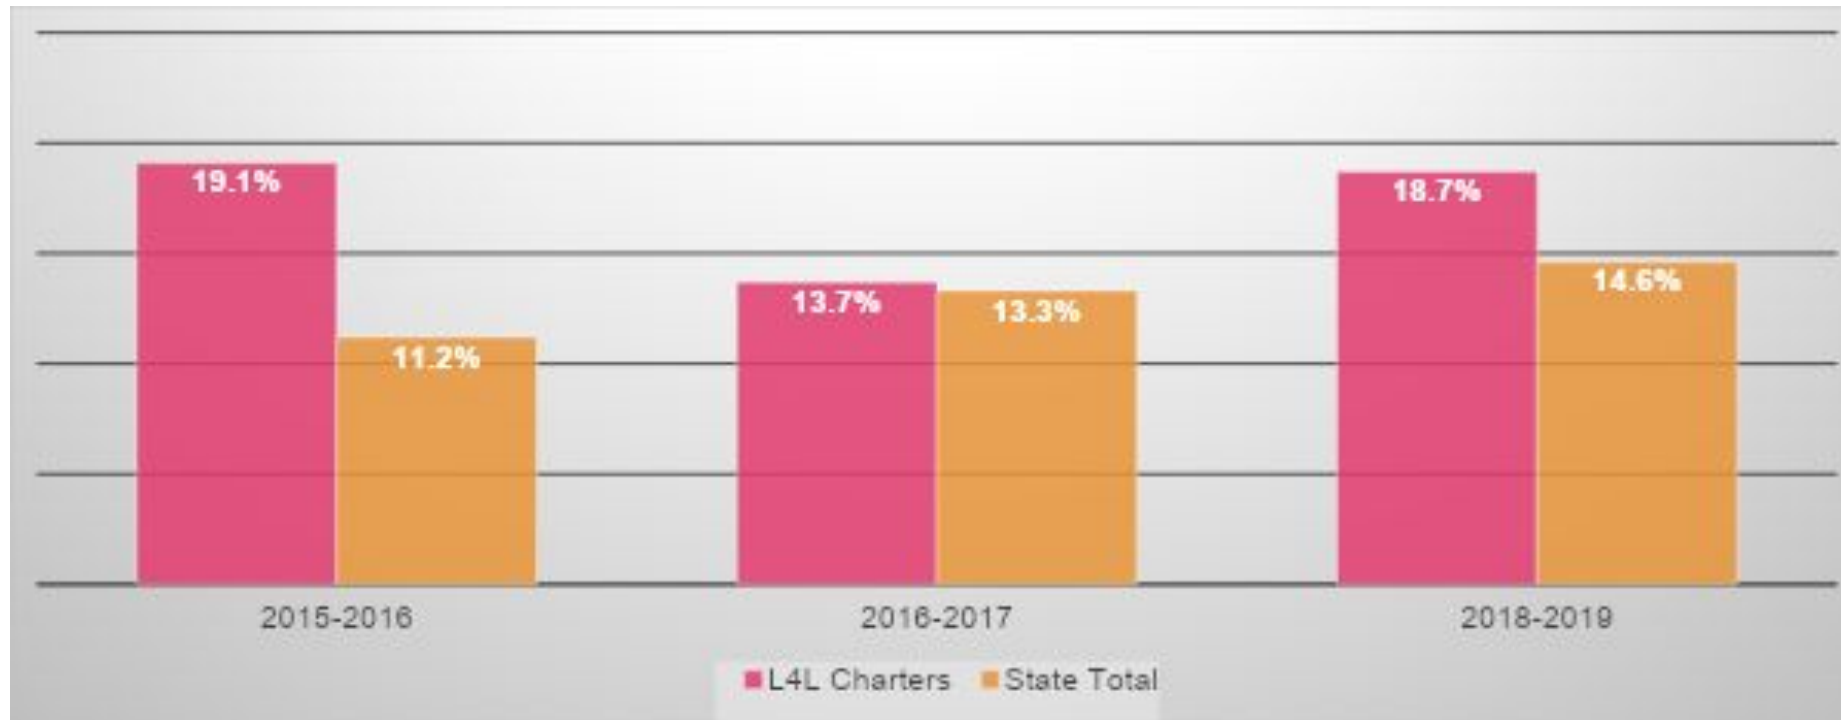

1. Student performance on the Reading of the Northwest Evaluation Association (NWEA) in a school year. A score of **207 or higher** on the NWEA is required.
2. Complete **5 English credits** with a grade of C or better in a school year.
3. Overall Score of Level **4 on ELPAC**.

How do we support and prepare our EL students to reclassify?

- Keep students coming into school as much as possible.
- Work on and complete English credits.
- Students work one-on-one with tutors and paras.
- Students work with teachers in person or virtual meetings.
- Students take an online Reading Test to determine their level in English and that helps place them in the right English course.
- We offer ELPAC Test Prep SGI class.
