## English Learner Advisory Council

### Meeting Agenda

Apr 24, 2024 - 6:00 pm

#### 1. Welcome & Sign In

Ms. Laney welcomed everyone and started the ELAC Meeting.

#### 2. Progress on LCAP (Local Control Accountability Plan)

- a. Goal 1: Increase Academic Performance
  - i. Our current Graduates rate indicates that we are at 41%, we are working on increasing the percentage.
  - ii. Our current CAASPP participation rate is 100%; all students have been tested.
  - iii. Our students' credit completion rate is 3.13.
- b. Goal 2: Students will gain skills for college & Career-Readiness
  - i. Our current data for students enrolled in College Ready Courses are as follows:
    1. A total of 107 students have completed the "Pro Skills" class.
    2. A total of 57 students have completed the "Digital Skills" class.
    3. A total of 8 students completed dual enrollment courses in the current school year.
- c. Goal 3: Increase Student Retention Rate
  - i. DVE maintained an average ADA rate of 93% (LP1- LP9)
  - ii. Our Suspension/Expulsion Rate is 0%.
- d. Goal 4: Increase Parent Involvement/Engagement
  - i. A total of 134 participants attended our three previous ELAC/PAC meetings (Quarters 1-3).
  - ii. A total of 348 surveys were completed, out of those, 243 are students, 78 are parents and 27 are staff.
- e. Student Survey Review
  - i. Student Survey Data
    1. 99% favorable of campus culture
    2. 97% said teachers connect with them weekly
    3. 100% said they're being encouraged to complete their schoolwork.
    4. 96% said there was an adult on campus that they could go to for help
    5. 96% feel we are encouraging them to graduate.
  - ii. Parent Survey Data
    1. 98% of parents said that our school is safe
    2. 100% said that facilities were well-maintained
    3. 90% of parents said that they felt connected to the school
    4. 95% of parents said that we had strong communication

between school and home

5. 82% said that they felt student and parent feedback in events and meetings were taken into consideration

### **3. Feedback**

- a. Observations on Data
  - i. “After looking at the data, do you notice anything you would like more information on?”
- b. Question on goals
  - i. “Do you have any questions about our 4 goals or our progress so far?”
